

Staff prepare in June for 21st Century Pirates summer program. Teachers and director learn from our district literacy coach how to address the needs of young readers and writers. Even our published author, Kimberly Johnson, sat in for the training. The program will serve 75-80 students from India Hook this summer.

The crowd of parents and students signing up for 21st Century Pirates program in August, 2014 demonstrated the need for an enrichment program available for all students after school and during the summer.

Imagine the challenges of learning a new language AND all of the skills needed in school. We support our new to English learners with focused intervention.

Good Core Instruction

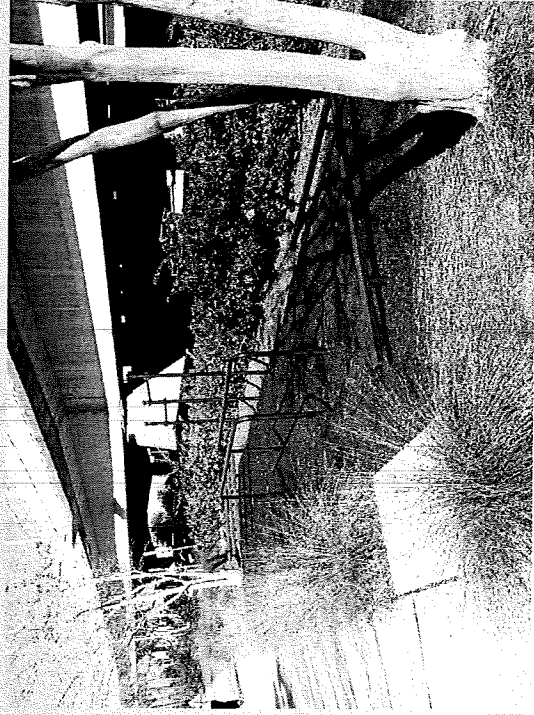

Teachers in all grades follow our district literacy guide. Guided reading, writers' workshop, word study, and independent reading are all a part of the 2 hour literacy block. 4th and 5th are one-to-one with iPads and use these tools throughout the day.

FITNESS TRAIL

We need you to help our dream come true of a fitness trail around our school property. Please become involved in our SIC by contacting cguyton@rhmail.org or [kroof@rhmail.org](mailto: kroof@rhmail.org). Our goal this year is to complete Phase 1 and Phase 2 our long range plan.

Fun Run 2015 was a huge success! We exceeded our goal of 28,000 dollars. Thank you to all of the PTA members that made this possible.

Without our awesome volunteer force, we would be lost. Our volunteers help teachers with daily tasks, provide encouragement through treats and meals, and plan awesome events to help raise money through PTA.

Our PTA supports our school students by providing subscriptions for educational websites, purchasing a golf cart for our PE program to easily move equipment to fields, providing books for our literacy closet, providing classroom supplies and resources for teachers, and so much more.

If you can volunteer, we need you. If you are willing to be a part of this awesome team, please contact IndiahookPTA@gmail.com to find the perfect fit for you and your schedule.
