Purpose of SIC Report

As mandated by ACT 135, the School Improvement Council for IIS has developed this report for our parents and community to highlight the progress the school is making in achieving the goals established by the school's five-year strategic plan.

School Goals

I. Increase student achievement

- MAP goal setting and reflection
- Fountas & Pinnell, MAP and SCReady data to monitor and guide instruction
- Differentiated instruction
- Small group classroom instruction
- Leveled Literacy Intervention

II. Impact Teacher Growth

- Continuous and ongoing school-based professional development
- All teachers highly qualified
- Meaningful teacher observations, feedback, and reflections
- Student Learning Objectives (SLOs)

III. Involve Parents and Community

- Automated school messenger, including phone, email, and text message contacts
- Grade Level Newsletters
- School Website and Facebook Page
- Family Nights
- Literacy Events
- Fine Arts Opportunities
- Parent Conferences and Workshops

Challenges

- Continue meaningful integration of instructional technology
- Continue to balance best practices in literacy with STEAM, Arts Infusion, and 21st Century Learning
- Continue to engage parents and community members in meaningful partnerships
