## **Mission Statement**

LMS is committed to nurturing and  
preparing our students for future  
success by offering a challenging  
academic, hands-on, STEAM infused  
curriculum.

## **School Hours**

7:25 a.m. - 2:25 p.m.

  
Student Enrollment: 880

With twelve years of service to our community, Longleaf Middle continues to strive for excellence in all aspects of the curriculum. We proudly embrace our vision of "Student Success—Every Student.....Every Day." Our Core Values

are represented by L.E.A.P. – Leading by Example, Exercising Good Judgment, Achieving Excellence, and Participating Responsibly. **In addition, we are proud of the growth that we've experienced in your students' benchmark scores for the 2019-20 school year.** Magnet Programs - LMS is the home of two magnet programs (LEAP and ZooBot). LEAP is about preparing students for the 21st century through enhanced sciences, technology, engineering, arts, and math. The School for Zoological & Botanical Studies (ZooBot) is a magnet within a magnet. ZooBot challenges students to be stewards of the environment while immersing them in hands-on academic studies.

## GOALS FOR 2020-21

1. By the end of the 2020-2021 school year, students will build a deeper conceptual knowledge of discipline-specific content through the use of habits of mind.
2. By the end of the 2020-2021 school year, all faculty members will incorporate authentic writing experiences for students into their specific discipline.
3. Throughout the 2020-21 school year, we will continue to sustain collaboration times for all teachers so that teachers may analyze data and create plans of action to improve literacy instruction.
