School Highlights & Awards

Longleaf Middle School opened its doors in August 2007. Our school mascot is the Leopard and our school colors are orange, black and white. We proudly embrace our vision *Student Success: Every Student, Every Day*. Our Core Values are represented by L.E.A.P. — **L**eading by Example, **E**xercising Good Judgment, **A**chieving Excellence, and **P**articipating Responsibly. In addition, we are proud of the growth that we've experienced in your students' MAP scores for the 2015-2016 school year.

Magnet Programs - During the 2013-2014 school year, we launched our school-wide magnet, LEAP—Longleaf Engineering and Arts Program. LEAP is about preparing students for the 21st century through enhanced sciences, technology, engineering, arts, and math. The School for Zoological & Botanical Studies (ZooBot) is a magnet within a magnet. ZooBot challenges students to be stewards of the environment while immersing them in hands-on academic studies. LEAP & ZooBot provide students a rich and rigorous curriculum, emphasizing an Engineering Mindset for critical thinking and problem-solving.

Goals for the next school year

LMS is helping all students develop world class skills, life and career characteristics of the Profile of the South Carolina Graduate. The LMS School Improvement Council goals for the 2017-2018 school year encompass four building blocks that lie at the heart of our district and school goals objectives and strategies: Learning, Community, Character and Joy.

Increase academic support as well as academic enrichment opportunities for students.

Increase community partnerships.

Increase activities and programs that focus on character education.

Increase activities and initiatives that celebrate student and staff success.

Implement an extensive offering of Parent University sessions based on feedback from parents.
