Mission Statement

LMS is committed to nurturing and preparing our students for future success by offering a challenging academic, hands-on, STEAM infused curriculum.

School Hours

7:25 a.m. - 2:25 p.m.

Student Enrollment: 770

Grades: 6th - 8th

School Highlights & Awards

With a decade of service to our community, Longleaf Middle continues to strive for excellence in all aspects of the curriculum. Our school mascot is the Leopard and our school colors are orange, black and white. We proudly embrace our vision of “Student Success—Every Student.....Every Day.” Our Core Values are represented by L.E.A.P. — Leading by Example, Exercising Good Judgment, Achieving Excellence, and Participating Responsibly. In addition, we are proud of the growth that we’ve experienced in your students’ MAP scores for the 2017-2018 school year. **Magnet Programs** - LMS is the home of two magnet programs (LEAP and ZooBot). LEAP is about preparing students for the 21st century through enhanced sciences, technology, engineering, arts, and math. The School for Zoological & Botanical Studies (ZooBot) is a magnet within a magnet. ZooBot challenges students to be stewards of the environment while immersing them in hands-on academic studies.

Faculty

64 Teachers, 11 National Board Certified

Student Information

77% African American
12% White
1% Asian
7% Hispanic
3% Other

Technology

All classrooms have Internet capabilities with Wi-Fi connectivity and have SmartBoards. Every student has a district issued (take-home) ChromeBook for teaching and learning.

Students have access to a two engineering labs to extend learning while creating authentic products. Makerspace labs have been added to provide students with cross curricular connections and the ability to prototype innovative designs.

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.

Goals for the next school year

The LMS School Improvement Council goals for the 2018-2019 school year encompass this four building blocks that lie at the heart of our district and school goals objectives and strategies: Learning, Community, Character and Joy.

LMS students will develop a rich conceptual understanding of skills and content, be able to communicate their learning, and apply their learning in real and unpredictable contexts in order to produce high quality learning outcomes.

LMS students will create high quality learning products that reflect multiple perspectives, and connects big STEAM concepts across disciplines.

LMS students will embody strength of leadership and character grounded in a sense of community that allows them to care for the well-being of themselves and others.

Longleaf Middle School Vision
Student Success:
Every Student Every Day
