Currently, we have almost 600 students served by 42 faculty and staff members. We have 11 Nationally Board Certified Teachers. Longleaf Middle School made Annual Yearly Progress (AYP) for the 2009-2010 school year. Our school is a Making Middle Grades Work site.

**Magnet Programs** - The School for Zoological & Botanical Studies (ZooBot) - is designed to give students unprecedented access to Riverbanks Zoo & Gardens, which is ideal for zoological, botanical and ecological studies. ZooBot uses an integrated approach to curriculum and instruction that is science-focused but employs math, language arts, social studies and the arts. The purpose is to immerse our students with a rigorous and rich educational experience.
