School Renewal Goals

Buist Academy will maintain academic excellence by focusing on the growth and development of the whole-child through the SC Ready Standards, social-emotional education, and the International Baccalaureate framework. The curriculum will have an emphasis on inquiry-based learning and academically accelerating students to meet their full potential.

Our faculty and staff will participate in a variety of professional development opportunities to encourage the growth of a diverse learning community. We will continue to work with parents, guardians, and community partners to meet the needs of our school community.
