Mission Statement

The mission of Bridgewater Academy is to enable all students to exceed academic standards through direct, one on one instruction by providing an innovative rigorous academic program; and to provide a personalized, supportive learning community where teachers, parents, and community members partner together to celebrate student achievement. Instruction is provided with passion and commitment, and value is given to the development of self-discipline, honesty, integrity and respect.

What is an SIC?

As advisory bodies, the SIC provides input, feedback, recommendations, resources, and support to the principal and school.
