

Upon reflecting on our journey, I continue to be inspired by the students, families, and educators in our Creek community. Our goal is collaboration for the support, growth and success of all

stakeholders. We have maintained steady amidst challenges and know our future is promising as we commit to ongoing school-wide improvement. *Denise Lessard, Principal*

Battery Creek High School - School Choice & Opportunities

Cambridge International Education prepares students for life - helping them develop an informed curiosity and a lasting passion for learning. This advanced course pathway invites students and teachers to embrace the attributes of lifelong learners - confident, responsible, reflective, innovative, engaged. English, Math, Science, Social Studies, Art, and Spanish.

Learning Through Leadership - Leader in Me is an evidence-based, comprehensive model that builds leadership and life skills in students, creates a high-trust school culture, and lays the foundation for sustained academic achievement. Through four leadership courses, the mission is to unleash greatness in students, educators, and our school community.

Career and Technology Education (CTE) pathways cultivate a learning environment where students are engaged in career-aligned educational experiences that improves student achievement. Students earn industry credentials and develop work-place skills for adult success in all postsecondary settings.

Dual-Enrollment enables students to enroll in college courses through the Technical College of the Lowcountry (TCL) and USCB. Our enrollment continues to grow annually.

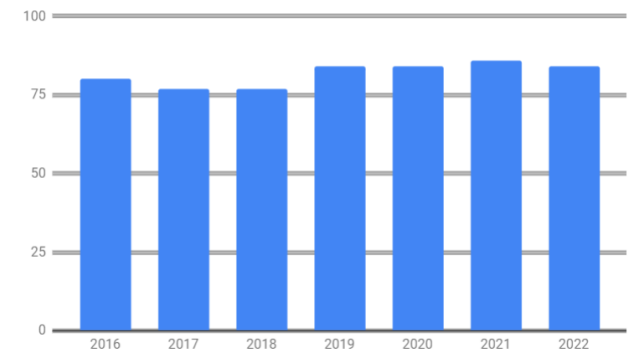

Unique to Creek - We are the only BCSD high school to offer Agriculture Education, Musical Theatre, and Chinese.

Curriculum Strategies & Systems to Improve Student Achievement (School Wide Framework for Student Success)

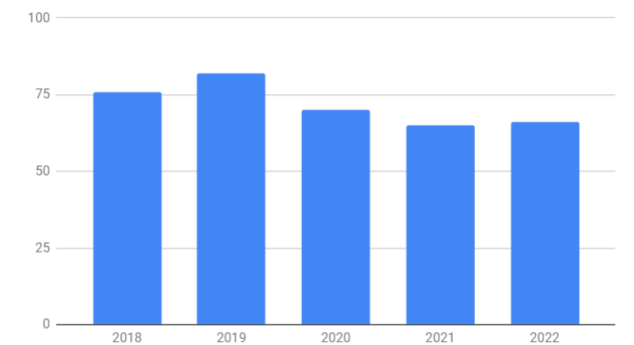

- Continued implementation of the Professional Learning Communities (PLC) model for teachers to increase instructional capacity with student leaders facilitating monthly
- Computer assisted supports via Reading Plus USA Test Prep, Edgenuity, Google Classroom, Newsela, NoRedInk, Khan Academy
- Expanded technology assisted instruction and prep rallies for End-of-Course Exams and College Ready Exams
- Tutoring during and after school - academic remediation and assistance programs and addition of Academic Interventionist
- Celebration of Achievement for both students and teachers through positive referrals and social media recognition
- Refinement of RISE, affording all students an opportunity to receive remediation and assistance in current courses
- Implementation of school-wide leadership student empowerment using the Leader in Me framework
- Implementation of SIT (Student Intervention Team) for both academics and behavior development
- Multi-tiered System of Support (MTSS) to identify students in need of comprehensive support
- Club offerings for students to increase student involvement
- Expansion of work based experiences for students

Battery Creek High School MISSION

SEE: (Qualities)	DO: (Actions)
Respect	Learn
Integrity	Encourage
Strength	Achieve
Enthusiasm	Develop

GET: We are a family of lifelong learners striving for excellence. #RISEtoLEAD

VISION
Battery Creek High School engages students by providing a rigorous and relevant curriculum in an environment where differences are embraced and celebrated.

BELIEFS
All individuals can learn and achieve.
All individuals can lead and contribute.
All individuals have passions and talents to share.
All individuals need love to thrive and grow.

School Renewal Plan Goals

- I. **Student Achievement:** Students will improve course pass rate by 2% annually by participating in academic support systems provided by teachers, staff and administration.
- II. **Teacher/Administrator Quality:** School leadership will provide professional support aligned with SRP goals to be implemented August 2023 through June 2024.
- III. **School Climate:** All stakeholders will increase compliance with school expectations by 5% each semester through positive reinforcements, support plans and interventions.
- IV. **Community Engagement:** Battery Creek organizations will engage our community by increasing the number of community events we host by 2 events per semester.
- V. **Gifted & Talented:** BCHS will increase the number of students successfully completing advanced courses by 2% annually. (Cambridge, AP or dual enrollment)
