DUTCHMAN CREEK

SCHOOL IMPROVEMENT COUNCIL

REPORT TO PARENTS

HIGHLIGHTS

The Dutchman Creek School Improvement

- worked to advance the school in the areas of Academic Achievement, Continuous Improvement, and School Climate as viewed by students, staff, and parents.
- played an important role in Dutchman Creek's continued success in all areas of academic achievement by meeting monthly with the Instructional Leadership team to analyze achievement metrics used by the school.
- provided mentorship and support for our academic competition teams and clubs.
- The DCMS SIC offered feedback on the strategic planning of the School Renewal Plan and the Continuous Improvement Plan.
- played the role of staff morale booster and support throughout the year by way of surprise treats and catered lunches for staff.
- coordinated with the administrative staff, PTSA, Beta Club, and Student Council to provide expressions of appreciation to teachers for Teacher Appreciation Week.

*Thanks for supporting
our success!*
