

Vision

To open our students minds through innovative curriculum delivery that correlates the academics and arts which meets all traditional subject requirements but challenges and extends all students through development of transferable competence and skills. This delivery method prepares our students for the 21st century.

The purpose of this report is to highlight the progress FMSMS is making in achieving the goals and objectives of the school's strategic plan. This report has been developed to share the challenges and successes of the school, students, parents, and teachers.
