

Brief Information about the school

Dear Parents and Guardians,

At Fairfield Elementary School, our mission is to guide students toward becoming confident, capable learners who are ready to thrive in a changing world. We believe in nurturing not only academic growth but also strong character, responsibility and a sense of community.

Our School Improvement Council plays a vital role in helping us reach these goals. Through ongoing collaboration with teachers, staff, families and administrators, we review student performance, gather feedback, and identify opportunities to make Fairfield Elementary School an even better place for learning.

Family involvement is at the heart of what we do. Whether through school events, interactive workshops, or volunteer opportunities, we love seeing families engaged and connected. We're also committed to keeping you informed every step of the way. Please look for updates through our website, ParentSquare, social media and regular newsletters.

We are grateful to have a dedicated SIC and school leadership team that values open dialogue and strong partnerships with families.

At Fairfield Elementary School, Together, we are all important pieces of the puzzle that make Fairfield Elementary a great place to learn and grow. Thank you for being a vital part of our school community

Principal: Dr. Roberta Heyward
Assistant Principal: Mr. Chadwick Hawkins
Assistant Principal: Mrs. Lesha Miller

Summary of Needs Assessment

During our recent school renewal process and completion of a stakeholder-based needs assessment, our school and community representatives agreed Fairfield Elementary School should continue to focus on increasing parental involvement and student achievement in ELA and Math.

School Goals

Goal 1: To increase student achievement in ELA and Math through meaningful students engagement and rigor.

Goal 2: To increase parental and community involvement through Parent-Teacher Conferences, parenting events and community outreach.
