## School Highlights & Awards

### Every Child, Every Chance, Every Day

Bridge Creek Elementary School is a place where children gain the knowledge and skills necessary for success in our ever-changing world; a place where teachers model and teach, expecting only the highest level of achievement for each child; a place where parents and guardians are encouraged to be active in their participation and support. We will ensure that we expand every child's capacity for learning by following these guiding principles established for all serving Bridge Creek Elementary students:

Leadership based on integrity,

Exploration of all opportunities to grow,

Achievement at the highest level will always be expected,

Respect and responsibility are personal traits,

Never fail to give our personal best.

We will work to succeed as a place for children to LEARN.

## SIC Goals for Next Year

- ♦ to provide gifted instruction for all students through Total School Cluster grouping
- ♦ to continue to provide authentic Project Based Learning experiences with opportunities for students to utilize their 21st century skills while learning their academic content
- ♦ to continue to nurture partnerships with parents and community members
- ♦ to continue to promote Highly Effective Teaching and the use of brain-based instructional strategies
- ♦ to increase the level of rigor by providing meaningful lessons and activities that are personally challenging for all students
