# WACCAMAW INTERMEDIATE SCHOOL

Dear Parents,

Waccamaw Intermediate School is focused on our mission to cultivate excellence in education. We are committed to the success of all students. We continue to provide a nurturing and safe environment where students are encouraged to come prepared to learn. We follow the state's curriculum for all areas of instruction. Students are challenged and encouraged to reach their full potential through the use of differentiated instruction. We are a school of high expectations for every child. These expectations have led to numerous awards which include being awarded National Blue Ribbon Distinction and the 2018 Palmetto's Finest Award. We are privileged to be able to work and learn in a facility that is exceptional inside and out. Our PTO and community members continue to provide an overwhelming amount of support through their time, talents, and gifts.

Mr. Travis Klatka, Principal

## The Gator Way

The 2022-2023 has found our students and staff living by the Gator Moto. At WIS our students are growing and achieving academic success beyond pre-Covid numbers. When not focusing on academics, our students and staff are thoughtful in finding ways to give back to the community through various events. The optimism in the school has helped create a safe environment for all stakeholders that is conducive to learning. The respect students and staff show for one another has created a nurturing school community where building meaningful relationships has been key to the success of every student.

Waccamaw Intermediate School is **G**rowing an **A**chieving, **T**houghtful, **O**ptimistic, and **R**espectful School Community.

## Instruction Update

Daily instruction is infused with current technology; Chromebook devices for all students, Aqueous Boards and other high-quality teaching techniques. Data on student progress is monitored regularly and utilized to make the best instructional decisions for all students.
