PATHWAYS & PARTNERSHIPS

Cane Bay continues to lead the District in Course Offerings. We offer more CTE and AP Programs than most schools in the tri-county area. With the exception of Manufacturing, Automotive and Culinary we offer courses in every other defined BCSD Pathway. We are currently the proud home of "branded" academy partnerships with McElveen (Business & Marketing), Heritage Trust Federal Credit Union (Banking) & Berkeley County Sheriff's Office (Law Enforcement). We look forward to continuing these relationships and building new partnerships within the community.
