

The mission of Blue Ridge is to provide a safe, respectful environment where children and learning come first.

- Education is a lifelong process
- Students must have equal opportunity to learn in a physically and emotionally safe environment
- Parent and guardians should have the opportunity to support the learning process.
- Education should provide the opportunity for students to learn how to communicate effectively, solve problems competently, think critically and creatively, be responsible.
- All students can learn and will be challenged to their individual abilities.
- Education must be relevant to the needs of the changing technological society in which it operates.
