Mission Statement

The mission of Aiken High School is to prepare students to become productive members of an increasingly inter-dependent and technological world by offering up-to-date and challenging academic and technical programs and by emphasizing the positive values of character, citizenship and humanity.

Beliefs of Aiken High School

- All students can learn and be successful at an acceptable level as measured by state and local academic achievement standards.
- Education is a partnership of the learner, school, home, and community.
- Everyone is worthy of recognition and respect, which is achieved through a positive school environment.
- An understanding of cultural diversity enhances education.
- Aiken High School deserves the best resources and facilities.

Performance Goals

- Help all students meet challenging academic standards
- Build a solid academic foundation for all students
- Prepare our students for post-secondary education, the armed services, or employment and life-long learning
- Help prepare students to become productive and well-rounded citizens through the challenging curriculum and extracurricular activities

Accelerated Coursework

Aiken High School has a varied and challenging curriculum. College Prep and Honors courses are available in the core curriculum areas. Advanced Placement courses are offered in Biology, Calculus AB, Calculus BC, Chemistry, Computer Science, English Language and Literature, European History, French, German, Music Theory, Physics, Psychology, Spanish, Statistics, Studio Art – 2D Design, Studio Art 3D – Design, Studio Art – Drawing, and United States History. Successful completion of Advanced Placement courses and the required exams allows students to receive college credit.

Students also have opportunities to earn additional high school credits through the SC Virtual School Program and APEX learning.
