Teacher of the Year

Ms. Carrie Nichols, First Grade

"My students enter my life as unfamiliar names and faces. We spend our days building a love and trust for one another. Each day we spend together is a chance to tackle all of life's mysteries such as; discovering new concepts, tackling disagreements with friends, laughing at new books, and struggling through our toughest challenges. By the time my students leave me they become a part of my life and each other's lives."
