

## Mission Statement

The mission of Saint Paul Elementary School is to educate our children through meaningful learning experiences in a safe and nurturing environment.

### Beliefs

- We believe the primary focus of our school is to promote learning.
- We believe a variety of instructional opportunities ensure learning for each child.
- We believe teachers, parents, the community and business partners should work together for the total education of our students.
- We believe the family is a key component in a student's life-long learning process.

### Goals for 2019/2020

- Increase the number of books read by students in grades 3rd-5th.
- Increase student achievement in the areas of English Language Arts and Mathematics.
- Increase the use of student data to guide classroom instruction.

## SIC Annual Goals

As outlined in the SPES School Renewal Plan, three goals were identified along with action steps for each. These goals and action steps are outlined below:

**Goal 1:** By the 2021-2022 school year, St. Paul Elementary will increase the percentage of parents attending school conferences from a baseline of 85% to 100% as measured by parent surveys, sign-in sheets, parent workshops and PTO/SIC data.

**Action Step:** Incorporation of technology to improve parent-school communication and inform parents of their student's strengths, weaknesses and ways to enhance those strengths.

**Goal 2:** By the 2021-2022 school year, St. Paul Elementary will increase the percentage of students in grades 3-5 scoring meets and exceeds expectations in Math by 5-7 percentage points from the data of the previous year annually as measured by the SC Ready state assessment.

**Action Step:** Use STAR Testing (Fall, Winter and Spring) as a progress monitoring tool to determine student strengths and weaknesses thus allowing teachers to implement best practices to increase student achievement.

**Goal 3:** By June of the 2021-22 school year, St. Paul Elementary will assist 100%

classroom teachers in grades 3-5 with interpreting and analyzing varies types of student data to increase student achievement in the subject areas of Math and English Language Arts as measured by increased student growth on weekly common assessments benchmark exams and state assessment exams. (SC Ready & SC PASS)

**Action Step:** Implementation of Professional Learning Communities (PLC's)
