# A Vision of Excellence; A glimpse into the Military Magnet Academy...

The Charleston County School District's Military Magnet Academy is a caring school where all cadets are challenged to learn every day.

The Military Magnet Academy prepares students to become competent, disciplined, and responsible citizens by providing the necessary learning environment.

The Military Magnet Academy is committed to student academics, extracurricular activities, and parent and community involvement.

The academic program develops the whole person by providing a foundation for success in today's world of high technology.

We are a school where daily we are striving to ensure our cadet scholars, staff, and community stakeholders believe our student learners deserve;

- the chance to achieve Academic Excellence
- a foundation that leads to success.
- a safe and positive learning environment.
- challenging academic and leadership opportunities
- the support of parents, peers, educators, and the community.

It is our responsibility to nurture our cadet scholar's dreams so that they become reality. We must be daily motivators and encourager of success and achievement. Coupled with hard work, our school will indeed reach all of our goals.

## Who Are We?

### “Leaders of the 21<sup>st</sup> Century”

## Academics at the Military Magnet Academy...

Military Magnet Academy, accredited by the former Southern Association of Colleges and Schools, will now continue as an accredited organization under the umbrella of CCSD's partnership with AdvancED. When our students move to other systems and on to higher education, their credits will be viewed as being of high quality. Accredited systems are often viewed as having a "seal of approval" as an indicator of the quality of the instructional experiences provided to students in the system. AdvancED accreditation opens doors to being competitive for national grants since many of them require external accreditation status for eligibility. It is our goal to provide a rigorous academic program that is comparable to not only the district and state schools, but educational institutions that perform at the highest levels both nationally and internationally. Please visit our website: <https://militarymagnet.ccsdschools.com/> for additional information regarding academics, staff, athletics, and other programs the Military Magnet Academy has to offer our families and cadet scholars.

## Organizational Data Summary

### Student Achievement

#### Middle School (6 – 8)

*The Military Magnet Academy is located in North Charleston, SC and has an enrollment of 480 students in grades 6-12 with 66.3% African American, 29.1% Hispanic, and 3.5% Caucasian. Military Magnet Academy is a Title I school with 86.4% poverty determined by the Community Eligibility Provision. The goal over the next 3 years is raise our performance levels for students in the Met or Exceeds Expectations for ELA and Mathematics to one equal to or higher than the CCSD average. We did increase our math performance from the previous year by 2.5%; however, it is still absolutely necessary we improve student performance in all areas. Math will be a target area to increase student performance for student success in high school.*

#### High School (9 – 12)

*The Military Magnet Academy has grades 6-12. The ACT, SAT, and WIN tests are the indicators of both college and career readiness. For college readiness, we are now analyzing the percent of 3rd-year high school students who score 1020 or higher on the SAT or 20 or greater on the ACT composite score. Our performance on the career readiness assessment shows 75% of the students that have completed the assessment have earned a Silver certificate or higher. The district had 64.9% of 3rd year students earning the Silver level. We are making great strides in preparing our students for the 21<sup>st</sup> century.*

### Teacher/ Administrator Quality

*The Military Magnet's teaching staff brings a variety of cultural experiences and teaching expertise with approximately 14% of teachers having 1-2 years of experience, 30% has 3-10 years of experience, 35% has 11-20 years of experience, and 21% of our teachers over 20 years of experience. When comparing our school performance in the areas of teacher and administrator quality we can see the following: Our chronic absenteeism rate is reported at 10.1% compared to 8.2% in CCSD; this represents a shift from addressing overall student attendance and is a district-wide change. This is an area where strong improvement is needed. Teachers with advanced degrees at our school is 60.0%, and the district is at 58.9% Teachers on continuing contracts will increase to over 70% for the 2019-2020 academic year. Our student to teacher ratio is 20:1 and at the district 22.5:1. Our school is working to provide an increase in professional development opportunities.*

### School Climate

*One of our school wide climate goals for the 2020-2021 academic year will be to ensure that teacher-student-parent relations are appropriate and significantly improve. There is great disparity in the number of parents who are satisfied with MMA, and professional development time will be dedicated to achieving this goal.*

## Chairman's Message...

The 2020 - 2021 academic year was a unique one due to the national pandemic the United States experienced. Educators, business partners and community leaders could not be as involved with School Improvement Council matters as they would normally be, but they did manage to support the cadet scholars and teachers during or amended in-person school year.

The School Improvement Council and community leaders applaud the dedication and commitment of SIC members, educators and students in carrying out our mission. It has been the efforts of the SIC that made this past year a success. The future work done by our MMA stakeholders will strengthen relationships with our surrounding neighborhoods and communities.

On behalf of the entire School Improvement Council, I would like to take this opportunity to thank each and every one for their loyal support in help to build our staff and student's relationship with our community leaders. We are looking forward to an exciting 2021-2022 school year.

Ms. Regina Duggins

Chairman, School Improvement Council
