VISION

To challenge and empower our students to be successful in a highly competitive world

MISSION

Building upon our rich *Lowcountry traditions*, we will ignite, in every student, a passion for life-long learning. Through dynamic instruction, creative partnerships and exceptional support, we will foster opportunities for each student to build a *legacy of success.*

Berkeley County Middle College is accredited by the Southern Association of Colleges and Schools

The Middle College Purpose

In keeping with the mission of Berkeley County School District, the Middle College program will give students an opportunity to achieve high school and college academic success in non-traditional learning environment.

Working in collaboration with Trident Technical College, the Middle College will encourage and ease transitions into a college environment. Students will explore and pursue academic and career aspirations while developing strong relationships in a climate that encourages respect and resiliency in every student.

End-of-Course Results

- US History – 52%
- Physical Science- 100%
- Algebra I- 100%

The Middle College Goals

- To provide new, contemporary academic pathways outside of a traditional high school setting
- To offer opportunities to earn college credit toward a certificate, degree, or transferable credit
- To serve underperforming, under-represented students who may be at risk of not graduating
- To provide students with career counseling to assist in the transition toward career goals
- To do whatever it takes to ensure student learning and achievement
