The Middle College Purpose

In keeping with the mission of Berkeley County School District, the Middle College strives *to ignite in every student a passion for world-class knowledge and skills through dynamic instruction and personalized educational opportunities* in a non-traditional learning environment. In collaboration with Trident Technical College, the Middle College encourages and eases transitions into a college environment. Students explore and pursue academic and career aspirations while developing strong relationships in a climate that encourages respect and resiliency in every student.

The Middle College Goals

- To serve students who have a desire to accelerate academically to complete an Associate Degree ahead of schedule
- To provide new, contemporary academic pathways outside of a traditional high school setting
- To offer opportunities to earn college credit toward a certificate, degree, or transferable college credit
- To serve first-generation college students and other identified at-risk student populations
- To provide students with career counseling to assist in the transition toward career goals
