BLUFFTON MIDDLE SCHOOL VISION AND MISSION STATEMENT

VISION STATEMENT

We envision the Bluffton Middle School community working together to challenge every student to perform at an internationally competitive level in a learning environment that is safe, nurturing, and engaging.

MISSION STATEMENT

Bluffton Middle School seeks to promote a tradition of academic excellence through exploration and discovery, technology awareness, and rigorous student-centered learning. Teachers, as facilitators, inspire intellectual curiosity in an environment where students develop the ability to think, be responsible, respectful, and honest to achieve their role as effective citizens in our global society.

CORE BELIEFS

The vision and mission of Bluffton Middle School makes it imperative to implement the following objectives:

1. To provide a safe environment.
2. To provide academic excellence by incorporating researched-based effective practices and rigorous programs.
3. Through high expectations, develop in each student the ability to think, be responsible, respectful, and honest in order to positively impact academic achievement.
4. To encourage stewardship of the environment.
5. To stimulate each student's creativity and problem solving ability.
6. To encourage students to respect the attitudes, values, and culture of others as well as their own.
7. To provide students with experiences that promotes meaningful relationships, and the development of social problem-solving skills.
8. To develop a positive self-image and self-efficacy in students by providing them with individual acceptance, encouragement, and recognition when appropriate.

SCHOOL RENEWAL PLAN GOALS

GOAL 1: Purpose and Direction: Bluffton Middle School maintains and communicates a purpose and direction for continuous improvement that commits to high expectations for learning as well as shared values and beliefs about teaching and learning.

GOAL 2: Governance and Leadership: Bluffton Middle School operates under governance and leadership that promotes and supports student performance and system effectiveness.

GOAL 3: Teaching and Assessing for Student Learning: Bluffton Middle School's curriculum, instructional design and assessment practices guide and ensure teacher effectiveness and student learning across all grades and courses.

GOAL 4: Resources and Support Systems: Bluffton Middle School has resources and provides services that support its purpose and direction to ensure success for all students.

GOAL 5: Documenting & Using Results for Continuous Improvement: Bluffton Middle School implements a comprehensive assessment system that generates a range of data about student learning and system effectiveness and uses the results to guide continuous improvement.

THE MUSTANG PATH

The Mustang PATH provides a model for proper behavior that is based on the BLMS mascot, the Mustang. The Mustang Path includes four core behaviors essential to a student's development as a citizen. The four aspects of the Mustang Path are the following:

ResPonsibility
Academic Excellence
Respect
Honesty

OUR PLEDGE AGAINST BULLYING

The S.A.B.E. PLEDGE (STUDENTS AGAINST BULLYING EVERYWHERE)

As a commitment to having a safe school community, students and parents are asked to sign the Students Against Bullying Everywhere (SABE) pledge. As a school bonded together we work toward making our school environment "bully resistant" for all. Our pledge:

I pledge to help end bullying everywhere. I pledge to ask for help if I am ever faced with a situation where I feel taken advantage of or bullied. I pledge not to be a bully at home, at school, or in the community. I also pledge that if I see any type of bullying I will report it and/or try to help the people that are involved. I have read the pledge and understand it. This is my personal commitment to making my school and community a safe place.

POSITIVE BEHAVIORAL INTERVENTIONS & SUPPORTS (PBIS)

PBIS is an approach for assisting school personnel in adopting and organizing evidence-based behavioral interventions. The approach enhances academic and social behavior for all students. PBIS is not a packaged curriculum or scripted intervention. PBIS is a prevention-oriented way for school personnel to (a) organize evidence-based practices, (b) improve their implementation of those practices, and (c) maximize academic and social behavior outcomes for all students. At BLMS, effective classroom management and preventive school-wide discipline are essential for supporting teaching and learning. PBIS emphasizes that effective classroom management and school-wide discipline must be integrated and working together with effective academic instruction in a positive and safe school climate to maximize success for all students.

2017 DICK AND TUNKY RILEY AWARD FOR SCHOOL IMPROVEMENT COUNCIL EXCELLENCE

As one of the ten finalists in the Dick and Tunky Riley Award for School Improvement Council Excellence in the 2015-2016, the newly reconfigured Bluffton Middle School SIC decided to reapply for the 2016-2017 school year. This decision was supported by the positive movement initiated by the SIC committee's efforts last year to increase student awareness, close the achievement gap, and increase parental involvement at Bluffton Middle School. Bluffton Middle School's School Improvement Council was one of five finalists at the State Level and received a Certificate of Recognition for Honor Roll status.
