

## School Organizations

### School Improvement Council (SIC)

Our School Improvement Council serves in advisory to the principal and is focused on helping to achieve school improvement. The SIC is comprised of parents, community partners and staff; members are elected and appointed. They support:

- all school-wide initiatives
- student achievement
- school climate
- Beautification projects
- School & community partnerships.

## Our Beliefs

### We Believe.....

children are the first priority. Maximize every moment, of every day, with every child.

### We Believe...

In a learning community of respect, promoting positive character and good citizenship... All members of the learning community practice respect, responsibility, and support one another in a safe and positive environment. Our positive thinking creates positive actions that equal positive results (N3).

### We Believe...

the relationship between home, school, and community promotes student success. Everyone concerned with the child's development has a unique role in this partnership.

## School Highlights

Langford Elementary is helping to develop the world-class skills, knowledge, and life and career characteristics expected of all students, as aligned in the [Profile of the South Carolina Graduate](#).

Through engaging and authentic learning experiences, all students develop their gifts, talents, and characteristics to create a foundation and love for learning. LES has a constant drive to enhance the curriculum and engage all students through the use of hands-on activities, differentiated instruction, balanced literacy, our district-wide instructional model, Universal Design Learning (UDL), and AVID strategies.

We pride ourselves on creating an encouraging environment that fosters respect and trust for all learners while nurturing the development of the whole child. We strive to offer access to deeper learning opportunities, both in and out of school,

in an effort to establish stronger connections and relationships within the school, home, and community.

The 7 Mindsets© is the core character development curriculum implemented at Langford. Students and staff are given the opportunity to be a part of a variety of experiences where they are able to apply the ideals of the Mindsets in real-world situations.
