Student Enrollment—523

Grades PreK– 5th

School Highlights & Awards

Langford Elementary, we're retrieving excellence as you can see, we're giving our best EFFORT, we're loyal and true. Oh, we're the Langford Labs of Richland Two.!! This is our song, our motto, our start to every morning... Please join with us as we celebrate another AMAZING year at Langford Elementary. After completing our third year, we continue to grow and strive for the excellence in all we do. Our focus is always centered on student safety and learning. Through the efforts of our SIC and PTO, Langford has established itself as a pillar in the community. Successful fundraisers, Labfest, Winter and Spring Concerts and Career Day are just a few examples of the excellence these two organizations have achieved.

Langford continues to retrieve excellence in the many accomplishments and awards bestowed upon our school. We continue to hold LEED Silver Certification, promoting "green efforts" for our school community. We have received numerous grants that help provide rich learning opportunities and deep understanding of the arts and cultures. We are honored to not only have students represent Langford at the Regional Science Fair but bring home awards. We are very proud and honored to be a part of such a great school. We commend our parents, teachers and students for their BEST EFFORTS.

Simply put....Langford Elementary is Amazing!!!

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.

Goals for the next school year

- Continuing to expand ongoing and develop new community partnerships through service projects, community events, and sharing positive information about LES
- Continue the implementation of SC Common Core Standards
- Provide students with challenging and engaging learning experiences across all curricula
- Continue to provide a safe nurturing environment where all students, faculty and staff successes are celebrated
- Involve Faculty and Staff members in professional learning experiences
- Continue to utilize a variety of strategies to promote health and social awareness
