About Us

Pritchardville Elementary School, named by the members of the Pritchardville community, opened in August of 2010. Currently the school provides services to 855 students as it continues to grow and prosper. **We are a Project Based, Engineering School, which houses the AMES Magnet Program** for gifted and talented students. Our mascot the Sea Turtle, can be found with Loggerheads nesting on all areas of Hilton Head's sandy shore.

The Mission of Pritchardville Elementary School

Pritchardville Elementary School is a nurturing oasis where all learners will surpass expectations and be prepared to compete at the highest global level. Academic rigor is embraced. Students are leaders who demonstrate respect, effort, positive attitudes, cooperation and honesty. Every student, parent and community member has a voice that is appreciated within our school family.

What is the School Improvement Council?

- The School Improvement Council (SIC) serves as an advisory committee to a school's principal and faculty.
- Unlike PTA/O's and other voluntary school organizations, **school improvement councils are mandated by law to exist in every public school in South Carolina.**
- SIC plays a key role in educating students and bringing parents, educators and community stakeholders together to assist in improving educational opportunities for students.
