Our mission is to facilitate a safe, personalized learning environment through standards-based and data-driven instruction, rich with technology, resulting in all students being prepared for college and careers.

School Community Achievements/Accomplishments

- We have 23 Junior Scholars this year
- 9 students were accepted into the Scholars Academy
- 4 students accepted in the Early College Program
- Three students had artwork selected for Youth Art Month at the Chapman Cultural Center
- 4 students were selected to be members for the Region Orchestra
- 7 students were selected to the S.C. Region Six Honor Band
- Excellent rating for SC Concert Performance Assessment in Band and Orchestra
- Beta Club participated in the Junior State Convention and had 4 overall winners
- Leonardo Scheffer was our school Spelling Bee champion
- 8th grade boys basketball team won the Peachtree Tournament Championship
- Paula Freyta had the highest ELA PSAT score in D2
- Haley Justice won the Veterans of Foreign Wars Patriots Pen essay contest for the state and placed 10th in the country
- 6 perfect scores on the Algebra 1 EOC
- 3 students selected for the SC American Choral Directors Association
- 7 students participated in the Spartanburg Sings
- Cash Humphries was selected to play in the United Soccer League National Academy Cup

Performance Results

Strengths

- School percentages for Meets plus Exceeds in English, Science, and Social Studies were higher than the state
- 8th grade ELA had 57% score Meets or Exceeds
- 8th grade Math had 45.5% of students score Meets or Exceeds
- 90% of students passed the Algebra 1 EOC

Performance Goals

- Increase the number of students who pass the state test by 1% in each subject area.
- Maintain 100% students passing the Algebra 1 and English 1 EOC.
- Increase the number of perfect scores 1% on the Algebra 1 and English 1 EOC.
- Increase growth in our lowest performing students by 1%.
- Increase the number of Junior Scholars by 10%.
- Further enhance the digital transformation by continuing to increase meaningful integration during our instructional practice.

Updated Activities

Rainbow Lake Middle School will:

- Provide Project Lead the Way and Avid classes, collaborative learning and integration of technology to develop the world-class skills and career characteristics of the SC Profile of the Graduate.
- Utilize common formative assessments, summative assessments, benchmarks, TLT's, and data meetings to identify and remediate students' weaknesses and strengths.
- Revisit and revise our Positive Behavior Interventions and Supports (PBIS) program to improve behavior and reduce office referrals.
- Utilize RTI and Guided Instruction to provide interventions and differentiation that meet academic and behavioral needs.
- Continue TLT's in order to support collaboration and improve instruction and student learning.
- Continue using John Hattie's strategies for student achievement through Leading High Impact Teams training.
- Maintain efforts to provide a high quality digital learning environment.
- Utilize devices to enhance classroom instruction, including Canvas and Google Classroom, as a learning management system.
