8:05 - 3:12

Our mission is to facilitate a safe, personalized learning environment through standards-based and data-driven instruction, rich with technology, resulting in all students being prepared for college and careers.

School Community Achievements/Accomplishments

- We have 3 Junior Scholars this year.
- We have 3 students approved for Early College .
- We had one student whose fishing team finished 3rd at the PBC Tim Kelley Memorial fishing tournament – the only middle school team in the state to place.
- 5 orchestra students made Region Orchestra in 2019.
- RLM donated over \$500 to the Children’s Cancer Partners of the Carolinas.
- 8th grade participated in the first ever “Simulation of Money” project with the support of the D2 District Office.
- The First Lego League team won an award for “Best Research Project” at the Carolina Isobots Tournament.
- RLMS collected over 4000 cans of food for the Upstate Family Resource Center.
- One 8th grade student was selected to the All State Orchestra; one of only 2 students in our district to qualify.
- The Beta Club took over 50 students to Myrtle Beach for the State Beta Club Convention.
- We had one 8th grade student that qualified for the State Geo Bee.

Performance Results

Strengths

2019 scores

- School percentages for Meets plus Exceeds in English, Science, and Social Studies were higher than the state
- 48% of all students showed growth on the SC Ready state assessment.
- 70% of the students scored Met plus Exemplary on the SS PASS test
- 100% of the students passed the English 1 and Algebra 1 EOC

Performance Goals

- Increase the number of students who pass the state test by 1% in each subject area.
- Maintain 100% students passing the Algebra 1 and English 1 EOC.
- Increase the number of perfect scores 1% on the Algebra 1 and English 1 EOC.
- Increase growth in our lowest performing students by 1%.
- Further enhance the digital transformation by continuing to increase meaningful integration during our instructional practice.

Updated Activities

Rainbow Lake Middle School will:

- Provide Project Lead the Way and Avid classes, collaborative learning and integration of technology to develop the world-class skills and career characteristics of the SC Profile of the Graduate.
- Utilize common formative assessments, summative assessments, benchmarks, TLT’s, iReady benchmarks and learning paths, as well as, data meetings to identify and remediate students’ weaknesses and strengths.
- Continue to revisit and revise our Positive Behavior Interventions and Supports (PBIS) program to improve behavior and reduce office referrals.
- Utilize RTI and Guided Instruction to provide interventions and differentiation that meet academic and behavioral needs.
- Continue TLT’s in order to support collaboration and improve instruction and student learning.
- Continue using John Hattie’s strategies for student achievement through Leading High Impact Teams training.
- Conduct monthly TLT meetings with Chesnee Middle School and Boiling Springs Middle School.
- Maintain efforts to provide a high quality digital learning environment.
- Utilize devices to enhance classroom instruction, including Canvas, as a learning management system.
