- Contributions of over \$2,000 to Project Haiti
- Collected over 3,500 cans for Spartanburg County
- Started a boys baseball program and girls soccer program
- Started construction on a 4th wing

Performance Results

Strengths

- Due to Covid-19, we do not have test scores for the 2019-2020 school year. We will update them for the 2020-2021 year.

Performance Goals

- Increase the number of students who pass the state test by 1% in each subject area.
- Maintain 100% students passing the Algebra 1 EOC.
- Increase the number of perfect scores 1% on the Algebra 1 EOC.
- Increase growth in our lowest performing students by 1%.
- Increase the number of Junior Scholars by 50%.
- Further enhance the digital transformation by continuing to increase meaningful integration during our instructional practice.

Updated Activities

Rainbow Lake Middle School will:

- Provide Project Lead the Way and Avid classes, collaborative learning and integration of technology to develop the world-class skills and career characteristics of the SC Profile of the Graduate.
- Utilize common formative assessments, summative assessments, benchmarks, TLT's, and data meetings to identify and remediate students' weaknesses and strengths.
- Revisit and revise our Positive Behavior Interventions and Supports (PBIS) program to improve behavior and reduce office referrals.
- Utilize RTI and Guided Instruction to provide interventions and differentiation that meet academic and behavioral needs.
- Continue TLT's in order to support collaboration and improve instruction and student learning.
- Continue using John Hattie's strategies for student achievement through Leading High Impact Teams training.
- Maintain efforts to provide a high quality digital learning environment.
- Utilize devices to enhance classroom instruction, including Canvas, as a learning management system..
