## ***A Message from Our Principal***

Hunter Kinard Tyler Elementary School highest priority remains to be academic excellence for all students. Our 2018 – 2019 school theme is “Be the Difference”. It is the concept by which we inspire and motivate both teachers and students and propels us to our vision of a high performing school.

Two consecutive years, HKTE scores have increased on SC Standardized test. To ensure continuous student achievement, we will persist in building our professional knowledge on teaching pedagogy and sustenance of a student centered learning culture by which students are safe, engaged, challenged and supported.

HKTE also believes that students’ success is predicated upon a combined effort of school, parents and community. To this, we will continue to seek out efforts to involve all stakeholders.

As principal, I remain committed to creating a school culture beyond mediocrity in that students are global learners and prepared for success at the next level.

With much anticipation for the success of our students and school, I look forward to working with our parents and communities.

Together, We Are The Difference!

Gloria D. Jenkins

Principal
