Fairfield Career and Technology Center

REPORT to the Parents

2015-2016 School Year

FAIRFIELD COUNTY SCHOOL DISTRICT

The purpose of this **Report to the Parents** is to give an update on the performance and progress being made toward improvement goals. In this report, we have provided brief goals, programs, activities, awards, and recognitions for students and teachers.

The new Fairfield Career and Technology Center, adjacent to Fairfield Central High School and Fairfield Middle School, opened in August 2015 for the 2015-16 school year. The new location allowed for completer program expansion and a synergy of Pre-Engineering programs.

FCTC now houses:

Sports Medicine

Barbering Firefighter

Project Lead The Way—Engineering (Fairfield Middle and Fairfield Central High)

2015-2016 Goals

- 98% of Fairfield Career and Technology Center CATE Program Completers will go to college, enlist in the military, or join the work force.
- 10% of Fairfield Career and Technology Center's CATE Program Completers will score 3 or higher on each of the 3 core subtests of the WorkKeys Exam.
- 7% of Fairfield Career and Technology Center Completer Programs will offer at least one dually-articulated course.

Progress and Actions Planned

- FCTC director, school counselor, and instructors will provide services for students to explore college opportunities and career options.
- Instructors will devote bell work time to prepare students for the types of questions and expected responses on the WorkKeys assessment utilizing the KeyTrain preparation software.
- Fairfield Career and Technology Center will expand the existing articulation agreement with Midlands Technical College to align current curriculum with Midlands Technical College Career and Technology Education (CATE) Programs.

Programs, Awards, Special Recognitions

FCTC Vital Statistics

- 100% of Cosmetology seniors passed the Cosmetology Certification exam.
- 100% of Culinary Arts concentrators earned ServSafe Food Handlers Certification.
