The purpose of this Report to the Parents is to give an update on the performance and progress being made toward the school's improvement goals. In this report, we have provided brief goals, programs, activities, achievements, and awards that were earned by our students.

2017-2018 Goals

- ◆ 98% of Fairfield Career and Technology Center CATE Program Completers will go to college, enlist in the military, or join the work force.
- ◆ 30% of FCTC CATE Program Completers will meet standard or higher on the WIN Assessment.

Student Opportunities

Fairfield Career & Technology Center is a *Technology Center's That Work* site.

National ProStart Invitational

FCTC students have the opportunity to participate in several student organizations as an extension of their respective programs. CTSO's help develop students in essential skills such as problem solving, communication, team work and interpersonal skills. They help students gain a positive image through competitive skill events, academic rigor, leadership development and service learning projects. Students who participate in Career and Technology Student Organizations serve their communities and state with pride while gaining a competitive edge in the workforce and post-secondary colleges and universities.

School Recognition

During the 2017-18 school year, FCTC students participated in several student organization competitions across the state.

- ◆ Aerial Truesdale placed first in the SC SkillsUSA screen printing competition and will be competing in the national screen printing competition in Kentucky this summer.
- ◆ Jamirquar Wright placed 3rd in the SC SkillsUSA Barbering competition held in Greenville, SC.
- ◆ Mysia Wynn-Robinson placed 3rd in the FBLA graphic design competition held in Columbia, SC.
- ◆ Students from our Culinary, Carpentry, Electrical, Welding, Cosmetology, and Auto Collision competed in their respective competitions sponsored by SC SkillsUSA and SC ProStart Association.
