

Student Achievement

For the 2019-20 school year, Powdersville High School did not receive a report card rating due to the pandemic; however, we believe we would have received another EXCELLENT rating. Our test scores and graduation rate would continue to “substantially exceed the criteria to ensure all students meet the Profile of the SC Graduate.”

Powdersville High again achieved the highest graduation rate in our district, 96.7%. This number means that only two of the over 200 students who entered our school as 9th graders did not complete a high school diploma. As always, we are very proud of our efforts to get EVERY student prepared for life after high school with a diploma.

The 2021 rankings were released, and Powdersville High School was again recognized by US News & World Report as one of the top high schools in the nation and state of South Carolina. We were named the top high school in Anderson School District One by the US News & World Report.

Powdersville High continues to work diligently to complete the school year with as many activities as possible. Prom, Awards Days, and Graduation are all in the works.

Mission Statement

*Powdersville High School is a
community of learners committed to
student success.*

Vision

*Students at Powdersville High School
will be college and career ready upon
graduation.*

SIC Annual Goals for the 2020-2021 School Year

Goal 1: Powdersville High School will improve the average SAT composite score by 5 or more points above the Anderson School District One average **OR** improve the average ACT composite school by 1 or more points over the Anderson School District One average.

Goal 2: The students of Powdersville High School will annually improve performance on the SC EOCEP by 1% above the state average on four out of five of the following End of Course Exams: Algebra, English I, Biology, and U.S. History and 1% on the overall passing average of the state.

Goal 3: PVHS teachers will receive staff development in order to improve their ability to provide effective virtual instruction.

The SIC plays an important advisory role in the accomplishment of the above goals. The variety of input that the SIC provides is useful in making important decisions. Perspectives from inside the school (teachers and administrators) meet with perspectives of those outside the school (parents and community members). Together we discuss goals, allocation of resources, policies and procedures and direction and vision for Powdersville High School.

School Achievements

2019-20 was an outstanding year at Powdersville High School. Our school continues to stand out as one of the best in the State.

Non-Academic Awards and Accomplishments:

1. Our Varsity Girls' Volleyball team won the AAA State Championship for the 3rd year in a row. Volleyball coach, Brooke Passini-SCACA Volleyball Coach of the Year.
2. Our Boy's and Girl's Cross Country teams, coached by Libby Holliday and Isaac Moore, both won the region championship this year.
3. The Ville, the Powdersville High School literary magazine advised by Amanda Foster, won an "Excellent" rating from the SC Press Association last year
4. Varsity Winter Guard finished 2nd place in their class at championships, and our JV Winter Guard finished 1st place in their class at championships
5. Kate Ellis, 10th grade violist in the Powdersville High Orchestra made Region AND All-State Orchestra this school year.
6. In the 2020-2021 season PVHS Wrestling added to its list of SC State Champions: Tom Ross (113lbs, 19-0 SR. Record), Dylan Brooks (132lbs, 15-0 JR. Record), and Nick Wattenbarger (145lbs, 16-1 JR. Record)

Presidential Award for Excellence in Mathematics and Science Teaching

At the start of this school year, Dr. Jenny Van Buren, mathematics teacher at Powdersville High School, was named by the President, as a recipient of the Presidential Awards for Excellence in Mathematics and Science Teaching (PAEMST). She is one of two recipients in the state of South Carolina. Nominations and awards are facilitated by the White House Office of Science and Technology Policy (OSTP) and the National Science Foundation (NSF).

Established in 1983, PAEMST is the highest award given by the U.S. Government to kindergarten through 12th grade teachers of mathematics and science, including computer science.

A panel of distinguished mathematicians, scientists, and educators at the State and National levels assess the applications before recommending nominees to OSTP. Teachers are selected based on their distinction in the classroom and dedication to improving science, technology, engineering, and math (STEM) education.
