### Our Mission

Glenview Middle School will educate students with the skills and work-ethic needed to be successful in high school as they prepare to become college and career-ready.

### Our Vision

Glenview Middle School will provide an excellent educational experience where students have an opportunity to explore and grow through academics, arts, and athletics.

**We believe that:**

- All individuals are valuable.
- Everyone has the potential to learn.
- Higher expectations yield higher results.
- Students learn best when engaged in personalized and collaborative opportunities (rigor, relevance, relationships).
- Effective communication is essential for success in a diverse and global society.
- Everyone deserves a safe and positive environment that is conducive to learning.

2018-2019

**2018-2019 MAP Data**

Math -- Students meeting Growth Target for Spring 2019	%		Reading-- Students meeting Growth Target for Spring 2019	%
6th Grade	75.7%		6th Grade	64.7%
7th Grade	66.0%		7th Grade	75.6%
8th Grade	80.4%		8th Grade	63.2%

Measure of Academic Performance or MAP Tests are computerized adaptive tests used to determine students' achievement level. Students are tested in **Mathematics** and **Reading** during the Fall and Spring to measure the amount of growth throughout the year.

## Glenview's Junior Scholars:

Students who scored 550 or higher on the Evidence-Based Reading and Writing or 530 or higher on the Math portion of the **PSAT/NMSQT as an 8th grader**; or students who participated in Duke University's Talent Identification Program (TIP) during their seventh-grade year, who met the eligibility requirements as outlined by that program (criteria listed above) are identified as South Carolina Junior Scholars.

The purpose of the program is to identify students and provide opportunities that will facilitate their intellectual growth, broaden their individual interests, and promote their scholastic achievement.

## IXL Math and Language Arts

Students have been working to strengthen their skills in ELA and math through IXL lessons. This year all students were given a personalized list of lessons to do that address each student's own area of weakness. Students have made a lot of progress by addressing targeted skills that were specific to each individual student and were identified after the completion of the Fall MAP test. \*Data as of 4/30/19

### SCHOOL ACHIEVEMENT

\*Skills Mastered--scored 100%

Skills Proficient--80%

Skills Practiced--Attempted

# Hour of Code

Glenview students joined schools around the world participating in the annual Hour of Code. Over 10 million students in 180 different countries take part in the Hour of Code. The goal of The Hour of Code is to give every student the opportunity to learn about computer science. The Hour of Code allows students to create programs, games, and apps that we use on a daily basis. Students complete one hour of tutorials based on skill level, grade level, topic, and interest.

Some of the tutorials selected are as follows: Minecraft, Star Wars, Moana, The Amazing World of Gumball, Animate Your Name with Scratch, Star Wars (Java Style), and Robots and Java.

Through the Hour of Code, approximately 750 Glenview students participated in more than just technology. The students used skills such as logic, problem solving, and creativity.
