Our Mission

Glenview Middle School commits to meet the diverse needs of adolescents through relevant learning opportunities with a focus on PRIDE (Potential, Reflection, Individuality, Determination, and Excellence).

Our Vision

We aspire to promote a positive school environment which facilitates the growth of our entire learning community.

Our Beliefs

- All individuals are valuable.
- Everyone has the potential to learn.
- Higher expectations yield higher results.
- Students learn best when engaged in personalized opportunities (rigor, relevance, relationships).
- Effective communication is essential for success in a diverse and global society.
- Everyone deserves a safe and positive environment that is conducive to learning.

Clay Crenshaw

Digital Integration Specialist

Our instructional model now consists of 1 to 1 technology use for all students and teachers. Incorporating Chromebooks as an additional resource for teachers and students has created a shift from the traditional methods of teachings. In order to provide the best instruction for the students at Glenview, a Digital Integration Specialist has been added to assist teachers with the effective integration of technology into classroom instruction. Mr. Clay Crenshaw helps teachers in modeling, designing and carrying out lessons that use technology to promote 21st Century skills for students.

Michelle Hall
Teacher of the Year

7th Grade Math Teacher

2016-2017

Mathematics				
Grade	Average Score Fall	Average Score Spring	Amount of Growth	Projected Growth of Similar Schools
6th	214.2	223.3	9.2	7.0
7th	221.4	229.6	8.2	5.5
8th	227.4	235.8	8.4	4.5

Reading				
Grade	Average Score Fall	Average Score Spring	Amount of Growth	Projected Growth of Similar Schools
6th	210.9	217.0	6.1	4.8
7th	212.3	216.8	4.4	3.8
8th	218.2	223.4	5.2	2.8

Measure of Academic Performance or MAP Tests are computerized adaptive tests used to determine students' achievement level. Students are tested in *Mathematics* and *Reading* during the Fall and Spring to measure the amount of growth throughout the year.

Glenview students had a higher growth rate than the national average growth rate among similar schools in all grade levels and in both subject areas!

Glenview's Duke Tip Scholars:

Students qualify for the 7th Grade Talent Search by scoring at or above the 95th percentile on a grade-level standardized test. Enrollment provides benefits that include the opportunity to take the ACT or SAT as a 7th grader. To qualify as a Duke TIP Scholar for 2016-2017, students had to meet **one** of the following criteria: ACT English ≥ 22 , ACT Math ≥ 22 , ACT Reading ≥ 23 , ACT Science ≥ 22 , SAT Reading/Writing ≥ 550 or SAT Math ≥ 540 .

Duke TIP

Thomas Knox

Brian Mackie

Glenview's Junior Scholars:

Students who scored 550 or higher on the Evidence-Based Reading and Writing or 530 or higher on the Math portion of the **PSAT/NMSQT as an 8th grader**; or students who participated in Duke University's Talent Identification Program (TIP) during their seventh-grade year, who met the eligibility requirements as outlined by that program (criteria listed above) are identified as South Carolina Junior Scholars.

The purpose of the program is to identify students and provide opportunities that will facilitate their intellectual growth, broaden their individual interests, and promote their scholastic achievement.

Diversity Award Winner:
McKenna Latham

Girls' Volleyball:

2016 Undefeated League Champions for the 2nd year in a row!!!

Record: 32-0

Hour of Code

Glenview students joined schools around the world participating in the annual Hour of Code. Over 10 million students in 180 different countries take part in the Hour of Code. The goal of The Hour of Code is to give every student the opportunity to learn about computer science. The Hour of Code allows students to create programs, games, and apps that we use on a daily basis. Students complete one hour of tutorials based on skill level, grade level, topic, and interest.

Some of the tutorials selected are as follows: Minecraft, Star Wars, Moana, The Amazing World of Gumball, Animate Your Name with Scratch, Star Wars (Java Style), and Robots and Java.

Through the Hour of Code, approximately 700 Glenview students participated in more than just technology. The students used skills such as logic, problem solving, and creativity.

Principal's Academic Excellence Award

4.3 GPA--93 average

Students were recognized for their outstanding performance after each nine weeks report card. This is a new criteria because of the new 10 point grading scale.

Each nine weeks we had the following number of students in each grade level recognized.

1st Nine Weeks

6th Grade--79 out of 208 students (38%)

7th Grade--96 out of 233 students (41%)

8th Grade--109 out of 234 students (47%)

2nd Nine Weeks

6th Grade--75 (36%)

7th Grade--83 (36%)

8th Grade--86 (37%)

3rd Nine Weeks

6th Grade--72 (35%)

7th Grade--65 (28%)

8th Grade--78 (33%)
