What is a School Improvement Council?

The School Improvement Council (SIC) serves as an advisory committee to the school’s principal and faculty. SIC plays a key role in the education of our children, bringing together parents, educators, and community stakeholders to work collectively to improve student achievement. We meet the last Wednesday of each month at 2:45 pm. The SIC releases this report annually to inform the community of events and programs at Lucy T. Davis Elementary. Join Us!
