Ensure all Student's Success

| | |
|--|---|
| EL Education EL Education is modeled to challenge students to think critically and take active roles in their classrooms and communities. An EL school aligns curriculum, instruction, assessment, culture and character, and leadership into a cohesive, clear vision for student learning. | Service Learning In every Expedition, there is a service learning component. This year, sixth grade focused on Adaptive Solutions for various sports. Students showcased their Adaptive Solutions for Special Olympic students. Seventh grade students learned about clean water and the effects it has on our world. Crews raised money to provide clean water to villages in Sudan. |
| STEM Education Using a variety of activity-based learning models, students are provided science, technology, engineering, and mathematics (STEM) opportunities to foster reasoning and critical thinking skills, creativity, and innovation. | World Language World Languages are an important part of the curriculum at MGM. Students experience language learning through performance-based tasks and assessments. We offer Spanish, French, Latin and Chinese (Mandarin). |

Service Oriented

Unified PE, Unified Dance and Unified Band

6th, 7th and 8th Grade students partner with Special Olympic students in building relationships through Collaboration, Communication, and Leadership. These classes inspire students to build a better world by creatively integrating PE, Dance and Band using a fun, experience-based curriculum.

Habits of Success

Meadow Glen Middle School (MGMS) utilizes the Habits of Scholarship report card. This report card communicates students' strengths and challenges regarding the Habits of Scholarship, which include:

- *Communication
- *Collaboration
- *Integrity
- *Tenacity
- *Leadership

Town Hall Meeting/Student Leadership

Students have the privilege of leading these meetings for their grade levels. At these meetings, birthdays are announced, student learning is highlighted, and student accomplishments are celebrated.

Student-Led Conferences and Passages

This is the seventh year that sixth and seventh grade students have conducted student-led conferences with their parents. Eighth grade students lead passage presentations for a panel of community members and teachers. These presentations are a reflection of their learning and goals as they transition from middle school to high school.

ICivics

The ICivics class focuses on government, leadership, and service learning. ICivics makes learning about civic duty and responsibility a priority for all. The mission of ICivics: Helping to create a nation where all young Americans are prepared for active and intelligent citizenship.

University Partnership

MGMS continues to be an innovative partner of the University of South Carolina, Columbia College and other teacher preparation programs. The objective is to offer future teachers relevant models that will enrich their college educational experience.

POWER SKILLS

ACCOMPLISHMENTS

***Meadow Glen Dance Company** competed in several styles of dance, Contemporary choreography as well as many soloists placed in the top 3 at each competition

***6th, 7th and 8th Grade students** assisted in preparing for the Black History Month Celebration
