School Description

Anderson 5 Charter School provides students with a non-traditional educational setting to meet their individual needs in order to prepare them for post-secondary education, the work force or a career path. All courses are offered online with students attending school on a flexible schedule (morning, mid-day, or evening). We are partners with the Adult Education Center offering students the opportunity to earn a GED and the Anderson Five Career Campus offering students the opportunity to earn credits in career-technology pathways.
