Renaissance at Cane Bay

Each quarter, the entire CBM family celebrates student success and achievement in an electrically exciting pep rally based on Jostens Renaissance®. Nearly 600 out of 800 students are recognized each quarter for meeting the criteria, and in our most recent rally (April 2016), 488 students were recognized for meeting these expectations for three consecutive quarters!

Cobra Connect

This year, CBM implemented Cobra Connect, advisory program. Advisory meets weekly and provides an opportunity for students and adults to build relationships beyond the classroom. Weekly advisory supports goal setting, organization skills, self-management, character education and digital citizenship.

CBM students work in groups during advisory.

Club Day

From flag-football to photography, our school-wide Club Day consists of over 40 clubs based on student interest and it is something that excites both students and adults! Clubs meet on each early-release day and are led by both CBM staff and community members.

“Cane Bay continues to grow with its students every year to address the desires of what the students want.”

- Koral R.
