2018 -19 ANNUAL REPORT TO PARENTS
@ CBM
Community Focused. Student Driven.

Student Achievement

Engagement   Technology   Literacy   Results

- CBM earned **at or above the state and district average** in all content areas on 2018 State Assessments.

- Second year of our LiveSchool implementation. With a 1:3 ratio for bonuses and demerits, CBM students have earned **3.4 million points for positive behaviors and have applied 1.1 million points towards rewards**. *Students continue to earn over 95% of all available Live School points every day!*

- Imagine Math a personalized learning tool is used in all math classes grades 5-8 for mathematics. *Over 85% of classes are at or over 70% achievement in Imagine Math.*

- **Common Sense Media** certification for the **third year in a row** with *100% Student/Staff completion of Common Sense Media training.*

- **Student Selected Reading** (SSR) is a school-wide, weekly practice support and encourages a culture of literacy in grades 5-8.

School Climate

Safety   Diversity   Extracurricular Activities   Communication

- Over 45 *active* **student led clubs** - *every child either participates in or leads one club each year!*

- **Veteran's Day** celebration held with over 100 veterans honored.

- **Classroom guidance** and **Cobra Confidential** successfully support positive peer relationships, problem solving, and respect for diversity among students.

- Berkeley County Mental Health counselor made available for students with **therapeutic counseling** needs.

- **10 students** take part in mentoring with community partner, Church of Cane Bay.

- **15 Advisory groups** meet weekly to support student relationship

- **Transition support events** for all rising 5th and 6th grade students and exiting 8th grade students.

- **Cafeteria, custodial, and clerical teams** consistently earn excellent ratings and praise from families, students, and district staff for their high quality work. *We are fortunate to have such incredible support teams in place!*

Teacher and Administrator Quality

Collaboration   Professional Development   Internal Communication

- **100% of Teacher Goals** (SLOs) approved and **ALL teachers successfully completed** their state-mandated *Student Learning Objectives* plans for student achievement.

- Ongoing **school based and district level professional learning opportunities** to support school level and district goals and initiatives.

- **100%** participation in school and district trainings by instructional, administrative, and support staff.

- CBM teachers have received a variety of **grant funding to support instructional practice and programs**.

- **Over 150 Classroom Observations** conducted by administration with feedback aimed at supporting professional growth and development.

- Supporting *teacher collaboration* and *student achievement* with PLC **content planning days.**
