

2019 -20 ANNUAL REPORT TO PARENTS @ CBM

Community Focused. Student Driven.

Student Achievement

Engagement Technology Literacy Results

- CBM earned **at or above the state and district average** in all content areas on 2019 State Assessments.
- Third year of our LiveSchool implementation with a 1:2 ratio for bonuses and demerits, CBM students have earned **4.9 million points for positive behaviors and have applied 1.1 million points towards rewards**. *Students continue to earn over 95% of all available Live School points every day!*
- **Imagine Math** a personalized learning tool is used in all math classes grades 5-8 for mathematics. *Over 85% of classes are at or over 70% achievement in Imagine Math.*
- **Common Sense Media** certification for the **fourth year in a row** with **100% Student/Staff completion of Common Sense Media training.**
- CBM improved its overall report card rating from a 29 (Below Average) to a 50 (Good).

School Climate

Safety Diversity Extracurricular Activities Communication

- **Veteran's Day** celebration held with over 75 veterans honored.
- Due to the continued growth of CBM we incorporated our **ILT "Individual Learning Time."** ILT allows our students to choose a location to eat within the school consisting of the cafeteria, commons area, classrooms, or outside.
- **SLT "Supervised Learning Time"** was introduced this school year. During SLT students have the opportunity to receive tutoring, complete make up work and attend clubs.
- **Cobra Confidential** successfully supports positive peer relationships, problem solving, and respect for diversity among students.
- Berkeley County Mental Health counselor made available for students with **therapeutic counseling** needs.
- **10 students** take part in mentoring with community partner, Church of Cane Bay.
- **8 students** take part in mentoring with community partner, Charleston Southern University's Football Team
- **Over 120 Northwoods church members volunteered their time with the day of caring. The volunteers assisted with cleaning classroom desks, lockers and washing all walls and restrooms.**
- **Cafeteria, custodial, and clerical teams** consistently earn excellent ratings and praise from families, students, and district staff for their high quality work. *We are fortunate to have such incredible support teams in place!*

Teacher and Administrator Quality

Collaboration Professional Development Internal Communication

- **100% of Teacher Goals** (SLOs) approved and **ALL teachers successfully completed** their state-mandated *Student Learning Objectives* plans for student achievement.
- Ongoing **school based and district level professional learning opportunities** to support school level and district goals and initiatives.
- **100%** participation in school and district training by instructional, administrative, and support staff.
- CBM teachers have received a variety of **grant funding to support instructional practice and programs**.
- **Over 150 Classroom Observations** conducted by administration with feedback aimed at supporting professional growth and development.
- Supporting *teacher collaboration* and *student achievement* with PLC **content planning days**.
