

2021-22 ANNUAL REPORT

Cane Bay Middle School

Cane Bay LEADS the WAY!

This year we returned to full on instruction and haven't looked back – in spite of COVID raising it's ugly head with a few surges. Our COBRAS CRUSHED IT!

Leading with SCHOOLOGY

Students, staff and families gave incredible time and energy to learn and use our District's new learning platform, Schoology. As a pilot site for the District, CBM led the way with staff building courses on the platform and teaching students how to access and manage their work online.

Students Lead the Way

Renaissance, Student Council and Beta Club all focus on various aspects of student leadership at CBM. Producing our AM news and announcements, decorating our spirit halls, organizing events, celebrating success, and improving our campus culture and look, these three clubs are at the front line of making the CBM Student Experience amazing!

Restarting CLUBS

After having to focus all our energy on addressing COVID instruction, we were excited to RESTART some of our clubs and events this year including Robotics, Cyber Patriots, live performances, and Renaissance celebrations.

Room to S-T-R-E-T-C-H

In January, we were able to occupy our new wing. This allowed CBM teachers and students to have rooms without sharing spaces for the first time in 6 years!

2021-22 ANNUAL REPORT

Cane Bay Middle School

Leading Family Fun

Another "return to normal" was the first annual FALL FEST held in early November. Canned food drive, good truck rally, inflatables, vendor and craft sales, and petting zoon – the first ever FALL FEST was a new and welcome addition to having our Cobra Community back on campus! Our goal is to add a SPRING FEST to the celebrations when we can be out together in gorgeous weather!

Enjoying the Journey!

Work hard, play hard! This year we were able to return some of the JOY in school and we were excited to share those moments with our students! Our Cobras WORK HARD and we LOVE celebrating their success as a school family! THANK YOU for allowing us to share in the development of your child!

Honing Communication

This fall we surveyed teachers, students, and parents for input on how to make CBM a more effective environment. The key common area for all three groups was COMMUNICATION. With that in mind, we adjusted our protocols. Teachers refined their Schoology posts, parents and students were given better information what to use Schoology for (versus PowerSchool Parent Portal), and we revamped our weekly communication to a newsletter format to improve engagement and celebration. Our goal is to have teachers, parents, and students feel more connected to school information for success at CBM!

Staff Stars 2022

This year over 20 separate staff members (teachers and non-instructional staff) were recognized for their outstanding dedication to the Cobra Team! After faculty selection, our two "Staff Stars" were selected – Teacher of the year, Courtney Wittchow and Classified Staff of the Year, Sharday Richardson.
