

School Mission

The mission of Dillon Middle School is to involve ALL students, parents, faculty, and community stakeholders in the promotion of lifelong learning by providing a meaningful, innovated, and differentiated educational experience, while requiring a respectful and safe learning environment focused on the well-being of each student, so that as productive members of society ALL learners may achieve their maximum potential.

The School Improvement Council is responsible for presenting a report to the parents of the school about progress being made to achieve improvements according to the objectives for the five-year plan. This report includes Dillon Middle School's achievements and academic plans.

School Programs and Accomplishments

2020-2021 School Programs and Accomplishments

Media Center

The Dillon Middle School Media Center sponsored reading incentive programs: Lunch Bunch Book Club, SC Junior Book Award Program, READO, ReadnQuiz, and the Reader of the Year Award. The media specialist also collaborated with teachers to infuse informational literacy and technology skills into curricular projects and activities.

Professional Development

Dillon Middle School brought in consultant, Mark Feeley, to help teachers with research-based math strategies to help raise student achievement in mathematics. Carla Musci, a Success For All consultant, was brought in to help teachers with research-based literacy instruction.

Literacy

Literacy was an area of focus in all classrooms at Dillon Middle School during the 2020-2021 school year. Students participated in Success For All daily small group instruction and one-on-one instruction.

Student Incentives

Students were rewarded for appropriate behavior, perfect attendance, improvement on Scholastic Reading Inventory reading scores, and honor roll. Students were invited to participate in such things as sock hops, organized games, and free time outside. Certificates of honor were also presented to students.

Academic Challenge

Dillon Middle School students on the Academic Challenge Team competed in virtual matches.

Algebra 1

Dillon Middle School had forty-four (44) students enrolled in Algebra 1. Of the students enrolled, 63.64% passed the end-of-course assessment and 22.73% scored a C or higher.

Report Card Rating

As a result of the COVID-19 Pandemic and the resulting disruptions in teaching and learning, Rating Points and Ratings were not calculated for the 2020-21 Report Cards.

Note on missing data: On March 26, 2021, the U.S. Department of Education waived federal accountability requirements and granted flexibility in administering assessments due to COVID-19. The results displayed within this report card should not be compared to those of other years due to the testing limitations as a result of the pandemic. In addition, these results may be incomplete and may not be representative of the make-up of the state, district, or school population.

School Goals

Administrators and teachers will:

- Align instruction to the SC College-and Career-Ready standards in ELA and Mathematics.
- Participate in and implement research-based staff development to improve teaching practices.
- Use books for reading that are matched to students' independent reading levels.
- Implement a rewards-based plan for improving academic achievement and behavior.
- Monitor instruction to ensure the coverage of science state standards prior to testing.
- Analyze test data from SC READY, SCPASS, MAP Screening Reading Test, and MAP ELA and math testing to guide the instruction of students.
- Create opportunities for parents to become familiar with the school setting, become knowledgeable about school programs, and be active participants in their child's academic career.
- Focus on technology skills students will need as they prepare for online testing.

COVID-19 Pandemic

During the 2021-2022 School Year, Dillon Middle School:

- Incorporated the latest science on safe school operation as outlined by the Centers for Disease Control and Prevention (CDC).
- Provided all students with one-to-one devices to assist with online instruction.
