Spring Hill High School (SHHS) opens the doors of opportunity for all students by delivering a unique learning experience which is tailored to individual talents and interests. Spring Hill High School being a Career Pathway Magnet encourages students to discover their passion by offering five focus programs to include: Engineering Academy, Entertainment Academy, Entrepreneurial Academy, Environmental Studies Academy and Exercise Science Academy.

All five academies promote prudent risk taking and creativity by enabling learners to model and test ideas, collaborate with peers, and develop new solutions based on up-to-date real-world resources and industry practices. Spring Hill High School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate. Our programs of study are directly correlated with future career and college readiness.

Our vibrant learning community is made up of students from all areas of Lexington and Richland School District Five and represent individuals with varying backgrounds, interests, beliefs, and experiences. In addition to challenging and motivating each other, students share knowledge, celebrate successes, and work together to reach common goals. By developing appreciation and respect for one another's differences and actively seeking opportunities to embrace diversity, we are preparing students to become productive members of the modern workforce in today's connected world.

We are extremely proud of our students' academic and personal achievements and their involvement in both the school and larger community as it is the Spring Hill Way: Working with Others, Academically Focused and Youth-Inspired.

We are also proud to be a Palmetto's Finest School, a Certified National Magnet School and a Merit Award—School of Distinction. All awards are due to the hard work and dedication of our entire Spring Hill High family.

**Michael Lofton**  
Principal

**Alecia Klauk**  
SIC Chairperson

## Our Current School Improvement Council

Caleb LaBord	May 2024
Jennifer Riddle	May 2024
<b><i>Ex-Officio Members</i></b>	
Michael Lofton, Principal	
Kimberly Smith, PTO President	

## SHHS SIC Goals

**Goal #1: Will organize and lead a coordinated effort with schools, school district, homeowners, employers, local governments and concerned citizens to improve the overall traffic flow and safety in the vicinity of Spring Hill High School.**

The work of our SIC led to a traffic study, meeting with local governments and this resulted in a traffic light being installed on Broad River Road in the summer of 2017. Due to their efforts, a turn signal was also implemented at that same traffic light. Our SIC has continued to monitor and improve safety conditions and this has led to the improvements at the Mt. Vernon Church Road entrance and a raised crosswalk from student parking to The Center. Gates have been installed at all campus entrances to continue enhance safety.

**Goal #2: Will with the help of guidance counselors, teachers, staff members, and community-aid providers develop and implement programs to assist students and family members who have been identified as being in need of emotional and economic assistance.**

The work of our SIC led to donations being received that were used to aide in clearing negative balances on student lunch accounts, as well as other monetary support of students in need. SIC has also assisted in gathering toiletries, school supplies and clothing for our students.

**Goal #3: Will seek to enhance communication and information in the community regarding Spring Hill High School and promote the focus and goals of the administration, faculty and School Improvement Council.**

The work of our SIC led to members of our council speaking during public participation at the District Five Board of Trustees meetings to thank the Board and Superintendent for their support of SHHS. Our SIC is continuing to look for opportunities in the community to represent SHHS and enhance communication and information.

### Accreditation

Spring Hill High School is fully accredited by the State Board of Education and Cognia, In the annual report to the South Carolina Department of Education, no deficiencies were cited.

## Mission Statement

Spring Hill High School is a collaborative learning community that cultivates innovative thinkers prepared to meet the challenges of the 21<sup>st</sup> century. The school's culture is rich in personal connections, supporting a learning environment where students pursue coursework designed to foster creativity, uniqueness in thought, and intellectual development. Spring Hill students explore and master educational pursuits which prepare them to strive and lead in an interconnected world.
