### Mission

**At Joseph R. Pye Elementary we keep the needs of all children & their learning first. We prepare today's learners to be tomorrow's leaders as they explore, discover, learn, and lead.**

*This Report is issued by the JPES School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.*

**Vision:** To create a world class STEAM School that integrates the arts and sciences in highly engaged classes.

**Mission:** We prepare today's learners to be tomorrow's leaders as they explore, discover, & learn.

**Core Values:** We believe that positive people are productive! We value SAFETY, RESPECT, & LEARNING

## School-Wide Goals

Our School Improvement Goals are aligned with the Dorchester School District Two Guiding Tenets of Relationships, Rigor, and Relevance.

**School Climate Goal:** We will build relationships in a positive school climate with focus on safety, respect, and learning in a culture of mutual respect as measured by 90% or greater satisfaction with the learning, social, and physical environment on school and state stakeholder surveys.

- Modeling and explicitly teaching the 5Cs
- Engaging in school-wide health and wellness, service-learning projects, anti-bullying lessons, classroom guidance, social skills training, and peer mediation.
- Creating a culture responsive to digital natives, highly engaged classrooms, and global learning experiences.

**Student Achievement Goal 1:** We will achieve 80% or greater of our 2<sup>nd</sup> through 5<sup>th</sup> grades students reading on or above grade level as measured by Lexile levels on the Reading Inventory. ITS and administrators will develop a scoring rubric and provide electronic access via One Drive to record and code quarterly student performance data.

- SST will meet monthly with teachers and/or parents to review student progress and determine next steps based on student performance using Universal Screeners to ensure continuous growth.
- Intervention Teachers will participate in monthly SST meeting to report and monitor student progress, provide strategies, and implement specialized instruction to small groups as determined by tiered student performance on Universal Screeners.
- Administrators will meet with all teachers to conduct "Courageous Data Conversations" to class profiles, monitor student performance, and make data-driven decisions.

**Student Achievement Goal 2:** We will increase the percentage of Kindergarten-5<sup>th</sup> grade students performing on or above grade level in math to 80% or greater by the end of the school year as measured by grade level indicators on the universal screeners.

- K-2 teachers will engage all students in frequent progress monitoring using AIMSweb
- 3-5 teachers will engage all students in frequent progress monitoring using weekly quizzes and quarterly performance based unit assessments.

**Teacher/Administrator Quality Goal:** We will design, deliver, and evaluate innovative ways to teach SC Ready Standards through writing across the curriculum with STEAM integration as measured by 80% of 3<sup>rd</sup>-5<sup>th</sup> grade students performing on or above grade level across content areas on state assessments and scoring a 3 or higher on the District TDA Benchmark Rubric by the end of the school year.

- STEAM Lab TAs for 2-5
- Fine Arts integration activities
- STEM Centers Support and Training
- Discover Lab/Learning Commons Media Center & Outdoor Habitat for Learning
- 21<sup>st</sup> Century Learners and Leadership skills – 5Cs
- Integration of Writing across the curriculum w/6 Traits and CLOSE Reading/ Writing Connections between Literacy and Numeracy 3-5

## Annual Updates

We are a diverse community of learners established in 2011. Our current enrollment is 897 Pre-K to 5th grade students. We have 110 staff members and 2 administrators. The operative word at JPES is TEAMWORK. We work collaboratively to ensure well-defined, well -designed, and well-deployed processes. For instruction and school organization.

**S**afety first!  
**T**eamwork next!  
**E**ager to Learn!  
**E**xpect the Best!  
**R**esponsibility leads to respect!

Our character education approach is based on the premises of the Positive Behavior Intervention System (PBIS), with a "STEER Your Way to Excellence" theme. We assess our progress at quarterly expectation meetings where staff and students review our achievement and social skills data to drive school, grade level, and classroom goals for continuous improvement. Our children earn Pye Miles for traveling *first class, business class, or coach class* on a daily basis. Children are received where they are, and expected to reach their *personal best!* We celebrate at quarterly *PBIS celebrations for reaching their personal goals!*
