Safety first!

Teamwork next!

Eager to Learn!

Expect the Best!

Responsibility leads to respect!

Our character education plan is based on the premises of the Positive Behavior Intervention System (PBIS), with a "STEER Your Way to Excellence" theme. We assess our progress at quarterly expectation meetings where staff and students review our achievement and social skills data to drive school, grade level, and classroom goals for continuous improvement. Our children earn Pye Miles for traveling **first class, business class, or coach class** on a daily basis. Children are received where they are, and expected to reach their **personal best! We celebrate at quarterly PBIS celebrations for reaching their personal goals!**
