Dear Parents,

We are pleased to present our Third Annual School Summary Report. Along with our SIC, we would like to formally share with you the progress being made at North Charleston Creative Arts. Our results and developing programs are the product of our dedication, hard-work, and partnerships with home, school, and the community.

North Charleston Creative Arts Elementary School is a partial magnet school for students in the north area of Charleston in District 4. NCCAE is also a Title I school with 72% of our student body qualifying for free or reduced lunch.

All NCCAE students participate in Visual Arts, Music, Physical Education, Dance, Drama, and Spanish. Students also have opportunities to attend classes in Suzuki Violin, Computer Lab, and Media Center. Our parental support, community partnerships, and grants help to support artist-in-residence programs throughout the year. This also helps to provide the academic arts and classroom teachers with basic art supplies and professional development to support the arts-infused curriculum.

Classroom teachers provide instruction of the state standards by incorporating the arts. By embodying both academically-rich and infused creative disciplines we ensure a truly unique educational experience.

Sincerely,

Eric Hansen Principal, and

Bonnie Walton, SIC Chairperson

Our Goals for 2015-2016

- Engaging Creative Minds for 3rd, 4th, and 5th Grades
- Artists-in-Residence for K5-5
