Purpose

This report is provided annually to highlight the progress of St. Helena Elementary School. It presents information regarding our challenges and successes during the 2017-2018 school year.

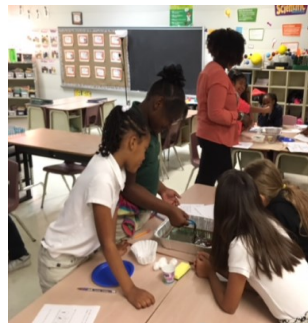

School Mission

The mission of St. Helena Elementary School is to empower students to lead, achieve, and succeed!

School Goals

- Increase parent engagement and participation in our SIC/PTO
- Increase student achievement to meet/exceed state and national averages
- Recruit and retain highly qualified staff
- Actively engage community and stakeholders in the school
- Implement student led conferences by the end of 2019
- Implement STEM units across all grade levels
- Implement a student lighthouse team by the end of 2019
- Ensure that best practices and resources in learning, teaching, and leadership are consistent and equitable across the school
- Increase practices, processes, and technology for open and effective modes of communication between the home and the school

Academic Progress 2018

MAP Assessments provide mean RIT scores for each grade level which are calculated from the individual RIT scores for all children in that grade. RIT scores are used as a measure of student growth on a learning continuum in reading and math.
