Dear RSIA Families,

Through implementing The Leader in Me process, we have built a unique environment where the principles, practices, and habits of The 7 Habits of Highly Effective People® are embedded into our culture. The Leader in Me process defines our school operations, permeates instructional practice and curriculum, and is the basis of a vibrant leadership development approach for both students and staff. Together, we are empowering our students to make positive, effective, and responsible choices.

Sincerely,

Principal
