NEXTON ELEMENTARY

2023-2024

ALL ABOUT NEXTON

2023-2024 SC READY RESULTS

Nexton Elementary School is a growing Pre-K through 5th grade Elementary school currently serving 985 students. Nexton prides itself on a continuous learning model for both our staff and our students. This summer our staff members engaged in a week of professional development to prepare for the upcoming school year. Throughout the year teachers met in PLCs and committees to work on continuous improvement for our students. Nexton students got to participate in iReady Pep rallies to remind them of how to do their best on the program. All grade levels participated in off campus and on campus field trips to further their learning. Nexton hosted annual Reading and Math Nights again this year to show off learning and engage with the community.

PERCENTAGE OF 3RD-5TH GRADE NES STUDENTS SCORING "MET OR EXCEEDS ON SC READY

	ELA	Math
NES	62.5	47.7
DISTRICT	51.2	32.8
State	53.9	40.9

COMMUNITY SUPPORT AND INVOLVEMENT

The parents and community members of Nexton are invested in the education of all students. Subaru continues to be a proud sponsor of Nexton Elementary students and staff by providing classroom supplies and donations. Our Nexton PTA and SIC work hard to make positive changes for our school by meeting regularly and planning school-wide events.
